COURTHOUSE ST. ALBERT

One of the primary goals of the Government of Alberta has been to encourage growth on a balanced basis across our province — to capitalize on the spirit and vitality of Alberta's communities.

The opening of this building today commemorates that initiative and exemplifies the commitment of the Provincial Government to the decentralization of government services throughout Alberta.

Honourable Tom. W. Chambers, MLA.,
Minister, Housing and Public Works

Honourable Neil Crawford, MLA.,
Attorney General

Mrs. Myrna C. Fyfe, MLA., St. Albert
